Lantern Ceiling Lamp, Medium *Anderssen & Voll*

Expanding into every aspect of the contemporary interior, the Lantern Wall Lamp and Lantern Globe (ceiling) Lamp complete this iconic series. Both lamps feature a simple black steel support and fixing that allows the soft illumination of the rippled glass globe to shine brightest. Inspired by traditional Chinese rice paper lanterns, these additions allow you to take the series into all corners of the home – from bedside to the entry, kitchen to the reading room.
