

TREKU

Bost

PRODUCT DATA SHEET
2020

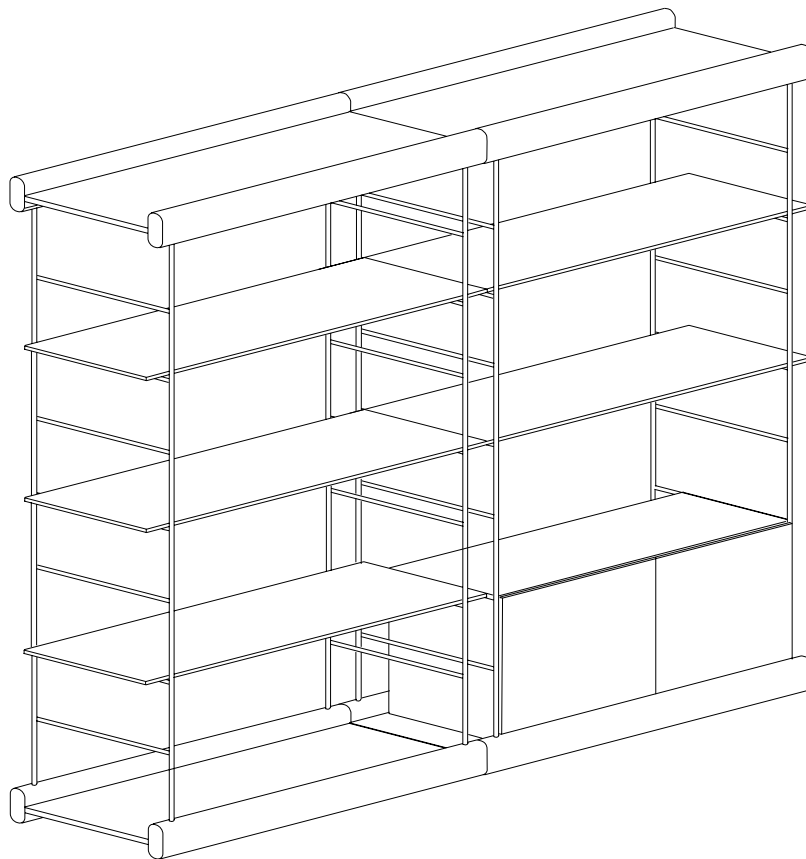

Model: Bost

Manufactured in: Spain-Europe (EU)

Designers: Yonoh Creative Studio

Simplicity, innovation and originality. Without extravagance. This is the philosophy of Yonoh, the creative study that has created the new modular shelf Bost for Treku. The result is a product that harmonizes wood and metal organically and work in different spaces in the home or in the work place.

4. Product maintenance

Clean with a damp cloth. Do not use chemical products.

5. Packaging and transportation

All our materials are carefully packed (cardboard, foam padding and EPS) and our transport methods are fully adapted to the characteristics of our products.

6. Assembly instructions

All our products come with assembly instructions to ensure correct installation.

See the attached sheet.

In the event of any technical doubts, please do not hesitate to contact our technical department. Modules and drawer units are assembled in our factory.

7. Warranty

All products come with a 2-year warranty. The validity of this warranty is contingent on their being installed by qualified professionals using adequate materials. Treku accepts no responsibility for any incident that may arise due to the improper handling of any of the materials it supplies.

Since wood is a natural product, you may notice small differences in texture, colour and grain. Treku accepts no responsibility for any small differences that may exist.

Since wood is a natural product, small changes in its colour and texture may occur over time. Treku cannot therefore guarantee that any future extensions will be an exact colour match.
