

ABOUT A CHAIR / AAC 153 SOFT DUO

DESIGN BY HEE WELLING & HAY

The AAC 153 Soft Duo counterbalances its soft quilted shell and contrasting materials with the high functionality and modern expression of the five-legged castor base. Retaining the same high backrest and generous seat that characterises the series, the base is designed with a gas lift that can adjust the seat height by a range of 14cm. The base is available in polished or powder-coated aluminium, and the quilted shell is offered with two different textiles or leathers to create a unique look that works equally well in corporate, public, or private contexts.

PRODUCT DETAILS

- / Part of a multi-functional family of dining and conference chairs, office chairs, bar stools, lounge chairs, tables, an ottoman and a sofa.
- / Variety of textiles and base finishes.
- / Available in a standard moulded foam upholstery and a soft quilted version with added wadding in a large selection of fabrics and leathers.
- / The 5 legged base is equipped with a semi-automatic gas lift.
- / Adjustable seat height varies from 42 to 56 cm.
- / Other base options are: 4 star swivel base, moulded plywood base and 4-leg steel tube base.
- / Suitable for a wide variety of private and public environments.
- / Qualified for contract use.

HAY
